

## MESSAGE OF HOPE

Dear friends of our worldwide Church  
Dear Delegates of Mission 21

In the year of 2018 we hosted the Mission Synod in Aarau, Switzerland.  
It was a very special and memorable Event we were able to share together.

I am thinking of all of you, in particular in these very special and unusual times of turmoil, to provide and send you an inspirational message of hope.

Hope and the Love of God are always with us and around us. Every moment we can count on this wonderful presence.

It is this Love, which continues to give us strength and support, and unites us closely together.

Our togetherness is finding new ways of experiencing this ever-present Love.

Many Church communities from Aargau are uniting with you closely in your commitment to the worldwide church.

Heartfelt greetings, Judith
